

# Technical Data Sheet

**Product Code** : 31032H  
**TDS Number** : 009  
**Date** : 11/10/2012

**Description** : A Black or off white non woven flame retardant fabric.  
This fabric must no be used in areas of high relative humidity.

## Construction

**Fibre Type** : 100% Viscose  
**Binder Type** : Vinyl Chloride Ethylene  
**Flame Retardant Type** : Organic Salt UK National Building Reg (BS476)

## Product Performance Characteristics

Test	Units	Value	% Tolerance Mean	Individual	Method
Weight	gm <sup>2</sup>	86	+/-10	+/- 12.5	BSEN29073-1
Thickness	mm	0.40	+/-15	+/- 20	BSEN29073-2
Tensile m/c	N/50mm	65		50 minimum	BSEN29073-3
